Visit by HE the Governor to HM Customs

His Excellency the Governor Lt Gen Edward Davis visited HM Customs on Tuesday. On arrival he was welcomed by the Collector of Customs John Rodriguez who gave him a briefing on the department.

This was followed by a tour of various sections within HM Customs where he was able to meet a wide cross section of staff and given an insight of the work carried out by Customs.

The visit ended with a trip on both Customs vessels, HMC Seeker and Searcher where His Excellency had the opportunity to take the helm.

The Collector of Customs said: "This was a great opportunity to brief HE on the extensive and varied role of Gibraltar Customs and for him to experience this firsthand".
