Maxi Priest & Livingstone Brown Interview - The Gibraltar Song

Following the success of the video release of Maxi Priest's song about Gibraltar, the Gibraltar Tourist Board has now published a further video featuring Maxi Priest and the song's co-writer Livingstone Brown.

At their studio in Brixton, London, Maxi and Livingstone look into the reasons and background behind the writing of this song. In the video Maxi goes on to explain how he first heard about Gibraltar when he was a youngster in the West Indies and how he has come to love Gibraltar and its people for the passion they share for his music.

Maxi Priest first performed at the Gibraltar Music Festival in 2014 and then returned for National Day in 2015. The 4 minute interview, now available on the Visit Gibraltar social media pages, was carried out last year shortly after Maxi's Birthday Celebration Concert on the 10 June at St Michael's Cave.
