Plater and Laguna Youth Club Residential at El Coto de la Isleta (Cadiz)

Over several years, the Charity Committee of the Royal Gibraltar Police (RGP) has worked with and supported the Gibraltar Youth Service. The annual residential partly funded by the RGP continued this weekend with staff from Gibraltar Youth Service and the RGP collaborating on and overseeing a fun packed weekend away in Cadiz with 16 youngsters from Plater and Laguna Youth Clubs.

The weekend offered young people the opportunity to take part in outdoor adventure based activities including archery, a high ropes course, cycling and kayaking as well as various team-building activities based on the periphery of Bahía de Cádiz Natural Park. These activities, in addition to the chance to experience a weekend away from home, offered the young people the opportunity to continue building and developing their personal and social skills in an alternative environment.

The experience also enhanced the relationship between the RGP officers and the selected participants, as well as the participants' ability to initiate, build and develop their relationships with others within their age range with whom they would not normally interact.

The Gibraltar Youth Service would like to thank the RGP for organising and funding this trip.

For further information about the Gibraltar Youth Service please contact Mark Zammit, Principal Youth Officer at gibyouth@gibtelecom.net or call 200 78637.
