The Open Day will be accessible for persons with disabilities, and made more inclusive and sensory friendly. These new initiatives derive from the courses being offered by the Ministry of Equality that are led by the Hon Samantha Sacramento MP.

Sensory adaptations will be made available for the first one and half hours from 10am to 11.30am. During this period sound will be minimized and it will particularly benefit persons with autism, photosensitive epilepsy, visual and hearing impediments.

Thereafter, live performances and interactive workshops will take place from 11.30pm to 5pm, by many of the entities aforementioned. The Open Day will also feature a fun day and the organisers take this opportunity to thank Gibtelecom for sponsoring part of the event.
