Gibraltar Exhibitions of Modern Art Gallery Opening Hours

Gibraltar Cultural Services will be extending the opening hours of the Gibraltar Exhibitions of Modern Art Gallery, two evenings a week, as from the New Year. The new hours will launch on the week starting 14th January 2019, and will run every Tuesday and Thursday, from 11am to 6pm. The Gallery remains open Mondays, Wednesdays and Fridays from 11am to 3pm.

The move, on a trial basis, aims to encourage more visitors to the Gallery. It will also allow pupils who have attended the art tour with their schools to return with their parents and guardians, something that has already been expressed by some of these young visitors. The later opening hours also fit in with plans to launch an 'Art Treasure Hunt' as part of the Youth Arts Jamboree 2019 Programme, where those participating will be taken from Gallery to Gallery in a fun and interactive quest. It will no doubt accommodate a larger sector of the community, allowing for more access to the Exhibition at Montagu Bastion.
