STTPP – New Pay & Display Parking Scheme at Europort Road

The Ministry for Infrastructure and Planning is pleased to announce as part of Sustainable Traffic, Transport and Parking Plan that as from Wednesday 27 March 2019, a new Pay & Display parking zone adjacent to Europort Road will become operational.

The area will now provide Pay & Display parking bays, which will be operational between 09:00 to 21:00 Monday to Friday and 10:00 to 16:00 on Saturdays. Parking will be free on Sundays and Bank Holidays.

The introduction of Pay & Display areas are in keeping with the recommendations of the Plan and provide parking turnaround and access to the areas with free parking beyond the Pay & Display times.

The Minister for Infrastructure and Planning the Hon Paul Balban said: “I am pleased to announce the introduction of a further Pay & Display to facilitate the need of visitor parking in the West District. The STTPP has highlighted the need to provide turnaround of vehicles especially around residential and commonly frequented areas.”
