NURSING ASSISTANT TRAINING PROGRAMME

On Tuesday 26th March, Sir Joe Bossano attended an award ceremony for the newest tranche of certificated Healthcare Assistants.

All candidates underwent a rigorous 6-month training programme where they spent several months in each of the training areas identified as the most valuable to impart the necessary skills and develop their competences to become the backbone of Gibraltar's exceptional Healthcare.

This training falls under the Training Dept. of the Ministry for Economic Development and was co-funded by the European Social Fund.

Our congratulations to all the trainees who have now gone onto fulltime employment within the Healthcare industry.
