Kitchen Studios Launch 5th Year Anniversary Show

KITCHEN STUDIOS returns to the GEMA Gallery, on Montagu Bastion, five years after its inaugural project, which launched the group. It promises a mixed media show, hand-picked and curated specifically for the historic setting of Montagu Bastion.

The show will feature a variety of artistic disciplines from photography and painting to thought provoking installation work, both from newcomers and familiar faces. The show, which kicks off KITCHEN's five-year anniversary celebration, will be complemented by workshops held throughout the summer.

This is the third show celebrated at GEMA as part of the initiative by Gibraltar Cultural Services, on behalf of the Ministry of Culture, to provide new opportunities for artists, whilst raising the profile of the Gallery.

The exhibition will be on daily from Monday 6th to Friday 17th May. For more information, contact GCS' Cultural Development Unit on 20079750.
