### **The Gibraltar Darts Association meets the Minister for Sport**

The Minister for Sport, the Hon Steven Linares met with some members of the Gibraltar Darts Association this morning. During the fruitful meeting, the Minister reassured the GDA of his commitment to deliver premises for their exclusive use within the State of the Art building at the Europa Point Sport Complex.

Those present in turn thanked the Minister for his guarantee and expressed their satisfaction with the fact that these facilities will go a long way in developing the Sport. The Gibraltar Darts Association and the Minister have been working very closely for a number of months on this and a number of other forthcoming projects including bringing the Junior World Championship to Gibraltar. The new facilities will allow the GDA to develop the sport locally and be the hub of Darts where members will be able to enjoy the game.
