### **Free Redibike Hire during the Island Games 2019**

The Ministry for Infrastructure and Planning is delighted to announce that the use of Redibikes during the Island Games will be free of charge for all users.

As of Saturday 6th July until 12th July, Redibikes will be free to all registered users. It is hoped that this initiative will provide an alternative mode of sustainable transport during the Games for athletes, visitor and locals alike.

The Minister for Infrastructure and Planning said, “I am pleased to announce that the free Redibikes Scheme will help provide an alternative, environmentally friendly and healthy mode of transport to help those wishing to travel to any sporting events, medal ceremony or indeed any of the many social events being organised during the days ahead, should they wish to do so. Many participating nations will probably be familiar with similar bicycle sharing schemes in their respective countries.”
