Paul Astengo, Senior Executive with Gibraltar Finance will be attending the WealthBriefing European Awards ceremony on 19th May 2016 at the Guildhall, London. Gibraltar Finance has been shortlisted as one of four finalists in the “International Finance Centre” category.

The WealthBriefing European Awards are about the profession’s achievements. For 2016 the awards will attract over 500 senior banking and wealth management professionals to the industry’s most prestigious gala event. Independence, integrity and genuine insight are the watchwords of the judging process. This involved specially convened expert panels drawn from both private banks and trusted advisors and support by relevant third-party organisations.

Albert Isola, Minister for Financial Services commented, “To have received a nomination is testimony to the work undertaken by our team of professionals at Gibraltar Finance in raising the profile of the jurisdiction to an international audience as a modern, well regulated onshore financial services centre. To have, in addition, reached the final four is a wonderful achievement. We will continue our work in this area in partnership with the private sector for the benefit of all.”
