The Gibraltar Youth Service's Summer of Fun

It's been another fun packed summer for the Gibraltar Youth Service. Members from all four clubs have been involved in a number of activities over the months of June, July and August.

Members of the youth clubs have taken part in beach activities including volleyball and stand-up paddle boarding at Sandy Bay. The Service also took members from all four clubs on day trips to Tivoli World and Aqua Park, Mijas in Spain.

Laguna and Plater youth clubs have enjoyed a Dolphin Safari ride and a jump about at Costajump in Spain. Both clubs held weekly open sessions in the evenings and arts and crafts workshops during the day. They also engaged young people in the process of developing a logo for their clubs.

Dolphin's Youth Club held their usual drop in sessions and enjoyed a movie night. Some members made their own pizzas at a local restaurant and, more recently, the group has enjoyed a session of water games. The Youth Centre and Dolphin's came together for a summer BBQ and have been busy planning for their next fundraiser event as part of their Life Skills project.

As part of the GSLA summer programme the Service held four weeks of arts and crafts and cooking workshops for young people aged from seven to twelve. These were very successful and were well attended by young people who are not regular members of a youth club.

The Gibraltar Youth Service would like to thank the organisations that have contributed to the summer programmes and hopes to continue working with these organisations in providing opportunities for young people.

For any general information about the Gibraltar Youth Service please contact Mark Zammit, Principal Youth Officer on gibyouth@gibtelecom.net or call 20078637.
