Gibraltar Finance Sponsoring the Clearview Wealth Briefing in Geneva

Gibraltar Finance is attending and sponsoring the Clearview Wealth Briefing to be held on 25th October 2016 at the Beau Rivage, Genève, Switzerland.

The one day briefing will see Gibraltar Finance Senior Executive Paul Astengo together with senior figures from the industry participate in the main panel session discussing Brexit and how it may affect the European wealth management industry. The focus will be on the opportunities that BREXIT may provide. This Briefing will attempt to move beyond superficial headlines and drill down into specific details that practitioners need to understand in the months and years ahead.

Albert Isola, Minister for Financial Services commented, "Our extensive private client marketing programme for 2016 has covered the UK to a significant extent this year and the focus now moves on to Switzerland which continues to be an excellent market for Gibraltar. This private client event can only add to the successful Gibraltar Day Financial Services Breakfast we hosted in late September and will further cement the long standing relationship which we enjoy with Geneva based practitioners."

Paul Astengo will be travelling to Geneva on 24th October 2016 and will remain there for the week attending scheduled meetings with relevant professionals and would welcome the opportunity to support other private sector initiatives during this time; please contact Paul via email paul.astengo@financecentre.gov.gi.
