

PRESS RELEASE

No: 31/2019

Date: 16th January 2019

RESPONSE TO STATEMENT BY JYSKE BANK

The Government notes the statement today by Jyske Bank.

We have been working with Jyske for some time on this issue which comes as no surprise to us. It is indicative of continued consolidation in the banking sector.

We are confident that there will solutions found for all parties, especially the employees and the clients of the current bank.
