

PRESS RELEASE

No: 284/2020

Date: 16th April 2020

CULTURAL LEGO EXHIBITION

It has become apparent that one of the activities families in 'lockdown' are engaged in is Lego, particularly the younger generation. Gibraltar Cultural Services is inviting expressions of interest for an exhibition of their creations to be held once 'lockdown' restrictions are lifted. 'Fancy a new lockdown Challenge? Why not bring out the Lego Box and start building? You could be a winner!'

Organisations, entities, or individuals who may have or are considering spending time at home creating with Lego are invited to submit their interest and / or photos of what they have created to GCS, by email to: info@culture.gi

The closing date for expressions of interest / submissions is: Friday 8th May 2020.

For any inquiries please contact the Events Department, Gibraltar Cultural Services, or Tel: 200 67236 or e-mail as above.
