

## PRESS RELEASE

No. 452/2020

Date: 8th July 2020

### **STTPP –Residential Parking Scheme –Zones 1 Changes**

The Ministry of Business, Tourism and Transport is pleased to announce changes to the parking configuration within Grand Parade following consultation as part of the recommendations contained within the Sustainable, Traffic, Transport and Parking Plan (STTPP). Zone 1 parking for permit holders will see an increase to the existing stock from 127 to 211, a 60% increase to the current residential parking stock in Grand Parade. These changes will be monitored and reviewed evaluating their take up and which is aimed to provide more efficient use to the existing parking stock within the car park.

The Residential Parking Schemes (RPS) Zones 1, 2 and 3 will continue to be studied and adapted over time following further feedback and recommendations as set by the Residential Parking Scheme Working Group and Government Officials responsible for the implementation of RPS.

The Minister for Business, Tourism and Transport, the Hon Vijay Daryanani said: “It is essential to take on an evaluation process to determine the effectiveness of such schemes as highlighted within the Sustainable, Traffic, Transport and Parking Plan. An ongoing active audit of all schemes continues throughout the year taking on board feedback from stakeholders, visitors and users of the zones. The outcome of the ongoing consultation process allows for positive modifications to the existing zones to provide improved parking provisions to residents and visitors alike.”
