### STAINED GLASS WINDOW DESIGN COMPETITION

Gibraltar Cultural Services, on behalf of the Ministry for Heritage and Culture, wishes to remind the public of the closing date for the Central Hall, Stained Glass Window Design Competition. **Closing date is Friday 25<sup>th</sup> September.**

Individual artists are encouraged to be creative with their choice of theme and design. They are required to provide a written element to be submitted alongside their design outlining the rationale behind their inspiration. The design will need to take into account the overall building and the structural elements of the window.

A panel of judges will select the winning entry, with the design in turn created into a full scale window that will be on permanent display at the Central Hall.

Entry forms, rules and templates are available from the John Mackintosh Hall reception, the City Hall reception or online on [www.culture.gi](http://www.culture.gi).
