### **Self isolation and Testing Requirements for Travelers from 'Relevant Areas'**

Civil Contingencies Emergency (Corona virus Infection Risks Mitigation and Control Measures no.4) Regulations make it a requirement for any person entering Gibraltar, who has been in a 'Relevant Area' in the 14-day period preceding his entry, to report to Borders and Coastguard Agency or Gibraltar Port Agency if arriving by vessel.

Travellers who declare having been to a 'Relevant Area' will be required to adhere to the following conditions:

- Self-Isolate for five days. If you are staying in a hotel, you must remain in your room and not use any of the public areas.
- Do not use public transportation with the exception of a Gibraltar Taxi booked via the Gibraltar Taxi Association – Tel: 20070027 / email: taxiassociation@gibtelecom.net You are required to inform them that you have arrived from a 'Relevant Area'. Call 111 (or 20072266 and asked to be transferred to 111) as soon as you reach the address where you will be isolating.
- If you develop symptoms or feel unwell call 111 immediately even if you have been swabbed.
- You must be swabbed on Day 1 and again on Day 5.
- If you are not registered with the Gibraltar Health Authority(GHA) you can email any of the clinics below to arrange a private swab. You must consent to the clinic advising 111 of your result.
