The Gibraltar Port Authority (GPA) would like to inform members of the general public who wish to renew their Red Book that they are now able to do so by using the GPA Online Services available on the Port's website at www.gibraltarport.com.

This only applies to the renewal of red books for small pleasure craft at the current time and also the uploading of updated insurance policies if the policy expires mid-licence period. The renewal process is easy to follow but should anyone experience any difficulties then please contact gpadc@port.gov.gi or +350 200 46254 Ext 4003 / 4004.

Please note that registrations for new craft or any other queries in connection with Red Books must be directed to gpadc@port.gov.gi or by calling +350 200 46254 Ext 4003 or 4004.

CEO and Captain of the Port, Manuel Tirado commented: "I am delighted that the GPA can now offer this service online – this is the first of several online services which the Authority will be launching over the coming period offering a smooth and easy experience for our customers."
